

**CARESHARE  
PLUS**

## **CREATING HIGHER-TOUCH, MORE ENGAGED SENIOR LIVING COMMUNITIES**

### **CareShareManager™**

CareShare Manager transforms eldercare centers into highly-engaged senior living communities. With one simple and powerful solution, you can:

- Streamline workflow
- Assess, track and predict based on real data
- Increase the flow of communications
- Build engagement
- Enhance the well-being of residents and satisfaction of families while ensuring care coordination and compliance.

*The CareSharePlus single-log-in solution for senior living and care communities also simplifies the flow of referrals and transitions between levels of care, creating new revenue development opportunities.*

**"The ability to more effectively and efficiently communicate with family members and loved ones through CareShare has been revolutionary."**

**-GARY SACCO, ACTIVITIES DIRECTOR, THE MAPLEWOOD WEBSTER, NY**
